Dear Colleagues

As we start our 2009-2010 school year, I want to remind you that the Central Chapter meetings are held on the third Wednesday of each month at noon, at Pantagis Renaissance (Snuffys) Route 22 West, Scotch Plains.

Central Chapter members continue to network and discuss common problems and share their knowledge and experience. We try to keep our members up to date and informed of current issues from new regulations, unexpected events, and changes in procedures that affect our schools. Our associate members eagerly support our members in any way they can.

Our goals for the coming year include – increasing membership, inviting more guest speakers at our meetings to provide presentations on a wide range of topics,

At this time I would like to thank all our Members and Associate Members for their continued support in our efforts to make our schools safe and environmentally sound.

I encourage all our members to attend our monthly meetings, State workshops, and attend our Conference / Expo in Atlantic City at the Taj Mahal on March 30<sup>th</sup> and 31<sup>st</sup>, 2010

In closing, I would like to thank Charlie Miele and our State Association for their continuous support in providing us with many workshops and our Conference / Expo.

Tony Lepore CEFM  
President Central Chapter
