11. Meet New Jersey Residency Requirements.
12. Ability to read, write, speak, understand, and communicate in English sufficiently to perform duties of this position. American Sign Language or Braille may also be considered as acceptable forms of communication.

Responsible to: Director of Buildings and Grounds and/or School Business Administrator

Job Goal: The Buildings and Grounds Supervisor, working under the direction of the School Business Administrator, is responsible for all aspects of plant operation and maintenance. In addition, the Buildings and Grounds Supervisor is responsible for developing and managing all district repair and renovation projects and supervising all custodial and maintenance personnel.

Performance Responsibilities:

- A. Plant Planning and Construction in collaboration with the Director of Buildings and Grounds:
1. Assists in short-range and long range district-wide planning and budgeting for plant facilities.
 2. Keeps current records on all district properties in an organized and accessible manner.

3. Maintains liaison with the municipality, the county and the state on all school construction problems.

4. Plans for and supervises all construction, alteration and replacement of buildings and building equipment.

5. Prepares plans and specifications within the scope of appropriate licensure/certification and recommends and supervises appropriate architectural or engineering services when required.

6. Recommends the use of contractors where required.

7. Attends all job site meetings during construction.

8. Maintains current knowledge base regarding state and other regulatory body requirements for school properties.

B. Plant Operation and Maintenance in collaboration with the Director of Buildings and Grounds:

1. Plans and supervises the maintenance program for all buildings and grounds.

2. Assures the operational efficiency of all building equipment, such as heating, ventilating, and lighting.

3. Supervises the testing and ordering of supplies connected with custodial and maintenance services.

4. Makes progress reports on construction and maintenance projects performed by district personnel and contractors.

5. Completes studies and submits estimates on costs for all construction and repairs under consideration.

6. Prepares specifications for purchases and for services rendered by contractors.

7. Assures compliance with federal, state and municipal codes regarding buildings and grounds operations.

8. Organizes and supervises an effective preventative maintenance program for all building operations.

9. Maintains an updated inventory of all buildings and grounds equipment.

10. Prepares, submits and monitors a departmental budget.

C. Service Personnel/programs in collaboration with the Director of Buildings and Grounds:

1. Supervises, directs and evaluates the work of the custodial and maintenance personnel.

2. Coordinates the entire B&G personnel program and works to resolve problems in personnel performance or in relationships with other school or community members.

3. Evaluates the effectiveness of sub-contracted programs and reports to the business administrator the nature of the findings.

4. Supervises all custodial staff.

5. Ensures that custodial/maintenance personnel are regularly trained in the latest technology and safety procedures:

-Monitors the time records of all custodians in the school and certifies them for salary payment;

-Evaluates the performance of custodians in accordance with board policy.

D. Job Training

1. Organizes and implements when necessary the training of building and grounds personnel

and all custodial staff.

2. Ensures Right-To-Know and AHERA compliance with maintenance personnel.

E. Other Duties

1. Operate within the framework of all board policies, administrative directions and state laws/regulations,

2. Performs any other duties and responsibilities incidental to the office or as may be assigned by the School Business Administrator/Board Secretary or designee.

Terms: 12 month, salary and benefits as determined by the board.

Evaluation: Performance of this job will be evaluated annually in accordance with the Board's policy on evaluation of non- certified staff.

Established: 1/2/2008

Revised:
