July 2019

Dear Associates;

The New Jersey School Buildings and Grounds Association would like to take this time to thank you for your support and membership to our Association.

Below are the details and benefits of Associate Membership:

Members are asked to choose a chapter upon signing up for membership. One representative from each company is welcome to attend all meetings of that particular chapter.

- Membership entitles you to attend other chapter meetings across the State. We do ask that before you attend you contact the Chapter President to RSVP due to restrictions with seating and food. As a nonmember of that particular chapter you will be expected to pay for your meal.
- Membership will remain at **\$500** this year for your main Chapter. You may pay an additional fee of \$350 for each additional chapter you may choose to join. You will not need to RSVP to those chapters, you will be considered a member of that Chapter and your meal will be covered. Once you are registered in your main chapter you then can deal directly with the additional chapters of your choice. Membership runs from July 1 to June 30 of the following year.
- Membership entitles you to a reduced booth rate for our annual conference. Membership fee must be paid prior to November 15th to take advantage of the discount.
- Membership entitles you to scheduled speaking events at our chapter meetings. We ask however that your presentation remain generic for training purposes. We do not allow members to do sales presentations at our meetings. These events must be scheduled with the Chapter President.
- Membership entitles you to prime advertising space in our spring and fall journals that are distributed at our annual conference and the annual School Boards Conference.

If you plan to join again this year please create your account at <https://njsbga.memberclicks.net/>. We thank you for your support and look forward to working with you again this coming year.
