July 2026

Dear Associates;

The New Jersey School Buildings and Grounds Association would like to take this time to thank you for your support and membership to our Association and look forward to working with you again this year.

Below are the details and benefits of Associate Membership:

Members are asked to choose a Chapter or Chapters upon signing up for membership. One representative from each company is welcome to attend **all meetings of that particular Chapter**. A second representative from the same company may attend **when approval is obtained from the Chapter**. The second representative will be expected to pay for his/her meal.

- Membership entitles you to attend other chapter meetings across the State but you must make a reservation with that chapter prior to attending. Chapter contact information is available on our website at www.njsbga.org. As a nonmember of that particular chapter, you will be expected to pay for your meal. Meal costs vary across the State. **Reservations are a must.**
- Membership for 26/27 shall be **$700** for your primary chapter. You may pay an additional fee of $500 for each additional chapter you may choose to join. You will **not** need to RSVP to those chapters and you will be considered a member of that chapter and your meal will be covered. Membership runs from July1 to June 30 of the following year. We do not prorate.
- Associate membership entitles you to priority space and a reduced booth rate for our annual conference if dues are paid prior to November 15th.
- Membership entitles you to scheduled speaking events at our chapter meetings. We ask however that your presentation remain generic for training purposes. We do not allow members to do sales presentations at our meetings. These events must be scheduled with the Chapter President or Associate Business Representative from that Chapter.
- Membership entitles you to first choice prime advertising space in our Spring and Fall Journals that are distributed at our annual conference and the annual School Boards Conference.

If you were a member last year and have not yet received your invoice for 2026-27, please reach out to info@njsbga.org. If you were not a member and wish to join, click on "Join Now" under membership at www.njsbga.org. Regular members are school employees. Associates are our business partners. We thank you for your support and look forward to working with you again this coming year.
