

PEOSH/NJADP - 2021-2022 - Indoor Air Quality Training Schedule

PEOSH has arranged to provide assistance to public employers in meeting the Designated Persons Training requirements contained in the PEOSH Indoor Air Quality Standard by scheduling the following training sessions. Staff from the PEOSH program will be available to address any questions about changes in the IAQ Standard. This program will also address the roles of the school nurse and the Indoor Air Quality Team in IAQ programs. Participants will receive 4 Continuing Education Units (CEUs). School nurses register by filling out this form, emailing it, and then registering on-line through NJLMN to get their 4 CEUs. Facilities Managers register by filling out this form and emailing it. Facilities Managers with CEFM certification should note that the 4 CEUs will help them to fulfill the NJDOE requirement that 20 CEUs must be earned within a three-year period to maintain certification.
